

FOR IMMEDIATE RELEASE

Red-hot short film *Victims* comes to Jacksonville.

Jacksonville, FL — (November 11, 2021) Sun-Ray Cinema at 5 Points will hold a screening of the multi-award winning short film *Victims*, with a Q&A to follow.

Victims is a dark comedy about C.L. Ruby, an overconfident serial killer, who picks up Beleth, a female drifter, to be his 100th victim, but when she flips her role from victim to hunter, Ruby must confront what he fears most—a powerful woman.

A morality tale about the dangers of hubris and misogyny, *Victims* uses allegory to satirize the fragile male ego in a progressive world.

The short film is the winner of the Audience Award - Best Midnight Short at the 30th Annual Florida Film Festival and Best Student Short at the 21st Annual Screamfest Horror Film Festival as well as Best Short Screenplay at Shriekfest 21.

The screenwriter, Erin Spofford, a local author, award-winning filmmaker, and recent BFA recipient from Full Sail University will be hosting the Q & A after the screening.

Sun-Ray Cinema is located in the historic 5 Points district and has a long, rich past with the city of Jacksonville. The two-screen theater opened in 1927 and was the first in the state of Florida to be equipped to show talking pictures.
